

COLOGNE 2016 FINISHES STRONG

»The 2016 edition of EISENWARENMESSE - The International Hardware Fair, finished with positive numbers, drawing nearly 2,700 exhibitors from 55 countries and roughly 44,000 trade visitors from 124 countries. The show, condensed to a three-day event this year, benefited from more focused show hours and ran from March 6-8. The next edition of EISENWARENMESSE takes place March 4-6, 2018 at the Koelnmesse grounds in Cologne, Germany. Learn more at www.eisenwarenmesse.com.

FESTOOL 2016 ROAD SHOW DATES

»Festool USA is hitting the highway with its first ever Festool Roadshow, which will be powered by a 48-foot truck making numerous stops throughout the United States, plus some Canadian tour stops to be added later in the year. For a complete schedule, go to <http://festoolusa.com/roadshow/>.
